AUDITORS' STATEMENT.

Messrs. Geo. F. Jewell and A. Dale submitted the following statement: We have audited the accounts of the municipality of London East from the commencement of the year up to the date of the amalgamation with the city of London, Aug. 19, 1885, and submit herewith a summarised statement of the same, which we certify to as being correct, having been furnished with vouchers for payments made, and evidence of receipts. The tax rolls for 1884 have not yet been checked, being still in the collectors' hands. In the course of our audit we have had occasion to note the carefulness and correctness with which the Town Treasurer (Mr. Shuff) has fulfilled his duties, and the order in which his vouchers and books were submitted to us; and while we have had much less to do with the books of the Town Clerk, we notice that a similar care has been bestowed upon them, and as these gentlemen have now retired from their respective offices, we deem it but just that this should be recognized.

The report of No. 1 was taken up clause by clause: 1, 2 and 3, passed and 4 read.

On motion the clause was referred back to committee. The report of No. 3, previously eferred to, was referred back at the same time.

Clauses 5, 6, 7, 8 and 9, passed and rep as amended adopted.
